STEP 7 - Physical Verification

7.1 After 3 months these candidates will be ready for Physical verification, First SRLM Admin will create Data for Physical Verification Sample instalment wise and based on the criteria of placement (SF7.2A)

The screenshot shows the 'Data Creation for Physical Verification' page. The left sidebar contains a menu with options: ACCESS MANAGEMENT, PROJECT INITIATION, INSPECTION MANAGEMENT, PLACEMENT MANAGEMENT (selected), Self Verification Approval, Samples Generation for Desk Verification, Data Creation for Physical Verification (highlighted), Samples Generation for Physical Verification, Assign Samples for Physical Verification, Success Rate Computation, MASTERS, and REPORTS. The main content area has a header 'Data Creation for Physical Verification'. Below the header, there are three dropdown menus: Scheme (DDU-GKY), PIA Name (PERI SOFTWARE SOLUTIONS), and Sanction Order No. (MM/GLPC/STP/DDUGKY/111). Below these are two more dropdowns: Installment Type (2) and Notification No. (19/2019). There are 'Generate Data' and 'Clear' buttons. Below the form, there is a 'Show 10 entries' dropdown and a search bar. A table with 12 columns is shown, but it is empty with the message 'No data available in table'. The columns are: S.No., Centre Name, Batch Code, Trade Name, Candidate Id, Candidate Name, Father Name, Duration, Total CTC for 3 Months, No. of Months Completed, Month-1 CTC, and Month-2 CTC. The footer shows '2021 © Designed and Developed by NIRDPR HYDERABAD.'

7.2 Sample Generation by SRLM Admin

In this step SRLM admin will generate sample for physical verification as per the target of the project from the already created physical data.

The generated samples can be assigned from admin logins of PIA , SRLM and CTSA to their respective verification officers.

The screenshot shows the 'Generate Samples' page. The left sidebar is the same as in the previous screenshot. The main content area has a header 'Generate Samples'. Below the header, there are four dropdown menus: Scheme (DDU-GKY), PIA Name (PERI SOFTWARE SOLUTIONS), Sanction Order No. (MM/GLPC/STP/DDUGKY/111), and Month (02-2019). Below these are two more dropdowns: Type of Sample (Primary) and Type of sub sample (Select). There is a red error message 'Role Type cannot be blank.' below the 'Type of sub sample' dropdown. There are 'Clear' and 'Generate Samples' buttons. Below the form, there is a 'Show 10 entries' dropdown and a search bar. A table with 12 columns is shown, but it is empty with the message 'No data available in table'. The columns are: S.No., Sanction Order No., PIA Name, Month, District Name, Total Samples, Primary Qteams, Primary SRLM, Primary CTSA, Recheck SRLM, and Recheck CTSA. The footer shows '2021 © Designed and Developed by NIRDPR HYDERABAD.'

The screenshot shows the 'Placement Physical Sample Assignment' page. The left sidebar contains a menu with options: ACCESS MANAGEMENT, INSPECTION MANAGEMENT, PLACEMENT MANAGEMENT (selected), Assign Samples for Physical Verification, eLearning & Help, and REPORTS. The main content area has a header with the title 'Placement Physical Sample Assignment'. Below the header, there are four dropdown menus: Scheme (DDU-GKY), State (KARNATAKA), PIA Name (empty), and Sanction Order No. (Select Sanction Order). There are 'Search' and 'Clear' buttons. Below these, there is a 'Show' dropdown set to '10' and 'entries'. A table is displayed with the following columns: S.No., Month, No. of Primary Samples of CTSA (Total, Pending, Completed), No. of Recheck Samples of CTSA (Total, Pending, Completed), and Action. The table is currently empty, showing 'No data available in table'. At the bottom, it says 'Showing 0 to 0 of 0 entries' and has 'Previous' and 'Next' buttons. There is also an 'Activate Windows' watermark.

7.4 Conduct Physical Verification: Once the samples are assigned to the officers of the respective stakeholder, it would be then reflected in the verification officers login and the Physical verification will be carried out and the video of the same shall be uploaded in the portal.

Physical verification By PIA Q- Team:

The screenshot shows the 'Physical Verification' page. The left sidebar contains a menu with options: PROJECT INITIATION, CENTRE MANAGEMENT, OJT MANAGEMENT, INSPECTION MANAGEMENT, PLACEMENT MANAGEMENT (selected), Desk Verification, Physical Verification (selected), REPORTS, and eLearning & Help. The main content area has a header with the title 'Physical Verification'. Below the header, there is a 'Conduct Physical Verification' button. Below this, there is a 'Show' dropdown set to '10' and 'entries'. A table is displayed with the following columns: S.No., Month, PIA Name, Sanction Order No., Candidate Id, Candidate Name, Father Name, Employer Name, and Primary/Recheck. The table contains two entries:

S.No.	Month	PIA Name	Sanction Order No.	Candidate Id	Candidate Name	Father Name	Employer Name	Primary/Recheck

At the bottom, it says '2021 © Designed and Developed by NIRDPR HYDERABAD.'

Step 8: Success Rate Generation:

Once physical verification of the entire samples are done, then Success Rate is generated from the SRLM Admin Login.

While creating success rate one needs to select the notification as per which user wants to process the instalment. i.e 42/2016 or 19/2019

The screenshot displays the KASRLM web application interface. The top navigation bar includes the session time out (598), user manuals, and KASRLM links. The sidebar menu lists various modules: ACCESS MANAGEMENT, PROJECT INITIATION, INSPECTION MANAGEMENT, PLACEMENT MANAGEMENT (highlighted), MASTERS, and REPORTS. The PLACEMENT MANAGEMENT section is expanded, showing options like Self Verification Approval, Samples Generation for Desk Verification, Data Creation for Physical Verification, Samples Generation for Physical Verification, Assign Samples for Physical Verification, and Success Rate Computation (highlighted).

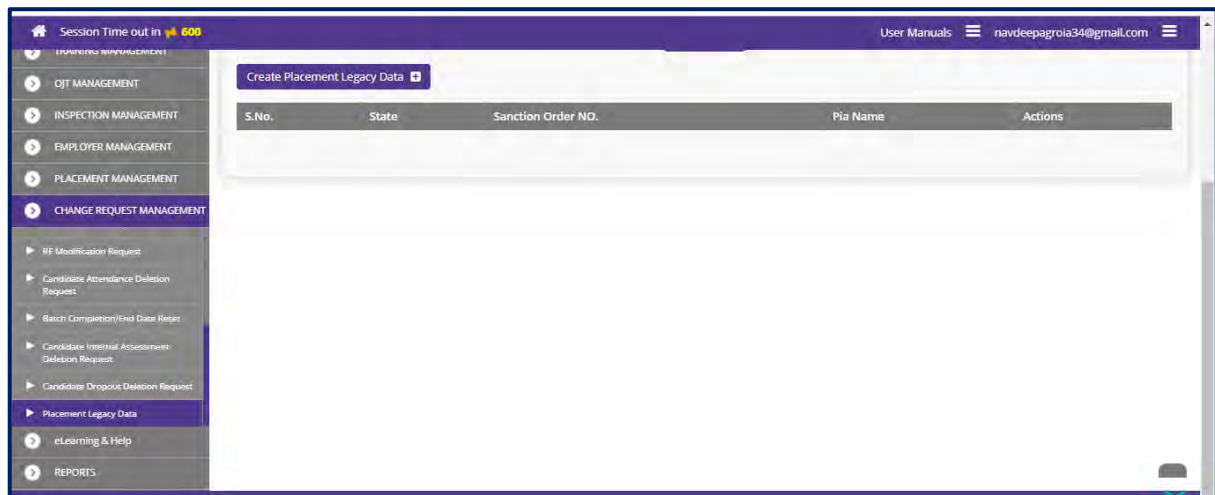

The main content area is titled 'Placement Success Rate Computation'. It features a 'Compute Placement Success Rate' button, a 'Show' dropdown set to 10 entries, and a search bar. Below this is a table with the following columns: S.No., Sanction Order No., PIA Name, State Name, Installment Type, Sample Success Rate, Placement Success Rate, and Action. The table contains one entry:

S.No.	Sanction Order No.	PIA Name	State Name	Installment Type	Sample Success Rate	Placement Success Rate	Action
1	MM/GLPC/STP/DDUGKY/11178-79/2018	PERI SOFTWARE SOLUTIONS PRIVATE LIMITED	KARNATAKA	2	0.2	14%	

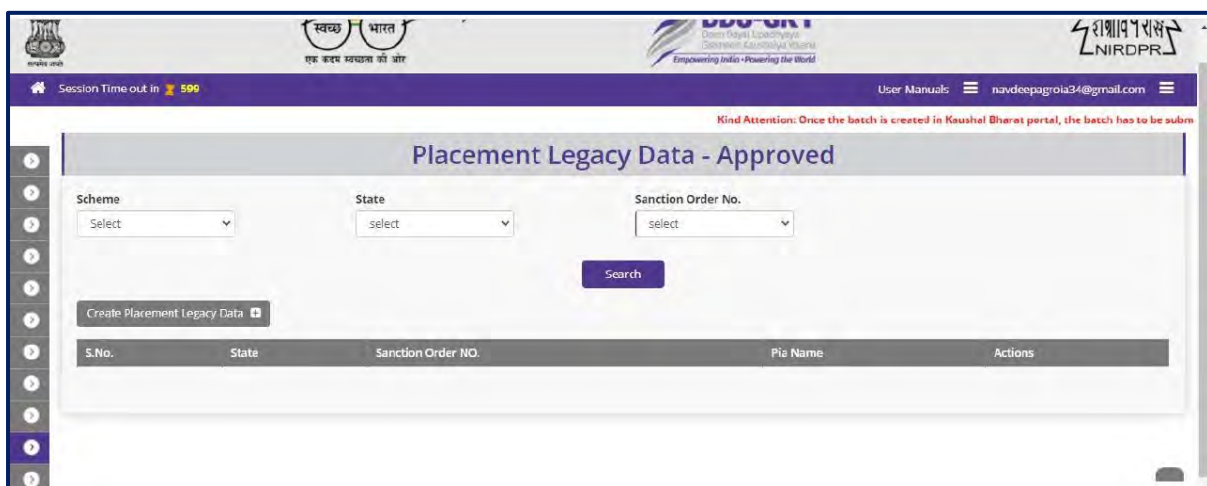

Below the table, it says 'Showing 1 to 1 of 1 entries'. There are 'Previous' and 'Next' buttons at the bottom right of the table area.
